

STONEBRIDGE ESTATES HOMEOWNERS ASSOCIATION

COLLECTION POLICY

Timely payment of Annual, Capital and Special Assessments (“Assessments”) is critical to Stonebridge Estates Homeowners (“Association”). The failure of any Owner to pay Assessments when due creates a cash flow shortage for the Association, and causes those Owners who timely pay their assessments to bear a disproportionate share of the Association’s financial obligations. Therefore, the Board of Directors has adopted the following policies and procedures concerning the collection of delinquent Assessments (“Collection Policy”). The capitalized terms in this Collection Policy have the same meaning as defined in the Declaration of Covenants, Conditions and Restrictions and Reservation of Easements for Stonebridge Estates Homeowners Association (“Declaration”), Articles 4.1 thru 4.11 of the Declaration address the Association’s authority to levy and collect Assessments.

1. *Personal Obligation / No Exemption.* Assessments are the personal obligation of the Owner at the time the Association levies the Assessment and are also a lien against the Unit. An Owner cannot exempt himself from liability for Assessments by abandoning their Unit or choosing not to use the Common Elements.
2. *Assessment Due Dates.* Annual Assessments are payable in monthly installments and are due on the first day of each month. Special or Capital Assessments, as defined in the Declaration, and reserve assessments as set forth in NRS 116.31152 (1) are due and payable on the date specified by the Board of Directors (“Board”) in the notice imposing the Assessment or in the ballot presenting the Special or Capital Assessment to the Members for approval.
3. *Late Charges.* All Assessments, or any portion thereof, are past due if the Association does not receive payment within thirty (30) days after the due date. A \$10.00 late fee will be added to the Owner’s account for each past due installment.
4. *Interest.* Subject to any limitations imposed by the Nevada Servicemembers Civil Relief Act, any Assessment, or any portion thereof, that remains unpaid for more than sixty (60) days after the due date shall bear interest at a rate equal to the prime rate at the largest bank in Nevada, plus two percent (2%), adjusted twice yearly on January 1 and July 1.
5. *Collection Costs.*
 - (a) As provided by law, any costs and fees incurred in processing and collecting delinquent amounts, including, without limitation, late and interest charges, management or collection company administrative costs, charges of preparing and mailing notice, intent and/or demand letters, recording costs, legal expenses, costs associated with small claims court actions and the like shall be an

additional charge against the owner and the Owner's Lot / Unit and shall be subject to collection action pursuant to this Policy.

- (b) The costs of enforcing the Association's lien that are prior to the security interest described in paragraph (b) of subsection (2) of NRS 116.3116 must not exceed the actual cost incurred by the Association, must not include more than one Trustee Sale Guarantee and must not exceed:
 - i. For a demand or intent to lien letter, \$150.00;
 - ii. For a notice of delinquent assessment, \$225.00;
 - iii. For an intent to record a Notice of Default Letter, \$90.00;
 - iv. For a Notice of Default, \$400.00;
 - v. For a Trustee Sale Guarantee, \$400.00.
- (c) No cost of enforcing the Association's lien, other than the costs described in this section, and no amount of attorneys' fees may be included in the amount of the Association's lien that is prior to the security interest described in paragraph (b) of subsection (2) of NRS 116.3116.

- 6. *Application of Payments.* The Association will apply payments first to any delinquent Assessments and then to late fees, interest and Collection Costs. Payments will not be applied to pay fines or penalty unless the Owner designates the payment as such.
- 7. *Compliance With Nevada Servicemembers Civil Relief Act ("NVSCRA").* In order to comply with NVSCRA, which became law in Nevada on May 29, 2017, before the Association takes any action to pursue collection of past due obligations, the Association shall: (a) inform each Owner, or his or her successor-in-interest, that if the person is a servicemember or dependent of a servicemember, he or she may be entitled to certain protections granted by the NVSCRA; and (b) give the person the opportunity to provide the information necessary for the Association to verify whether the person is entitled to the protections set forth in the NVSCRA including, but not limited to, the social security number and date of birth of the person.

If a person or a dependent of that person is entitled to the protections of the NVSCRA, then, in the absence of a court order to the contrary, the Association shall not commence collection of any past due assessments and related charges,

during the person's term of active duty or deployment and up to one (1) year after the active duty or deployment ends.

8. *Disclosure and Payment Plan:* In addition to all other remedies available to the Association, and after the Association has made a good faith effort to verify that the Owner is not entitled to the protections of NVSCRA:

(a) Not earlier than sixty (60) days after an assessment payment becomes past due, the Association must mail to the address on file

for the Unit's Owner:

i. A schedule of the fees that may be charged if the Owner fails to pay the past due obligation;

ii. A proposed prepayment plan; and

iii. A notice of the right to contest the past due obligation at a hearing before the Board and the procedures for requesting such a hearing.

iv. Notice that the Association's records do not reflect that the person is entitled to the protections of NVSCRA and an invitation to provide the Association with the information necessary to verify whether the person is entitled to protection under the NVSCRA.

(b) If within thirty (30) days after the date on which the information described in paragraph (a), above, is mailed, the past due obligation has not been paid in full, or the Unit's Owner, or his or her successor-in-interest, has not entered into a payment plan, all payments agreed to pursuant to such a plan have not been paid in a timely manner, or a hearing before the Board has not been requested in a writing addressed to the Community Manager, the Association shall cause a letter to be sent to the Owner notifying him/her of the delinquency and requesting payment thereof (the "Notice of Intent"). The Notice of Intent shall be mailed by certified mail, return receipt requested to the address of the Lot and, if different, to a mailing address specified by the Owner, and shall include, at a minimum, the following information:

i. the fact that the installment is delinquent;

- ii. the amount of the delinquency, including any charges associated with the delinquency including, but not limited to, interest, late fees, attorneys' fees or other Collection Costs;
