

Mountainside HOA Summer Newsletter 2023

Fireworks:

As a reminder to all residents and owners with 4th of July coming up soon Mountainside HOA only allows fireworks labeled "safe and sane" to be used in the community. This is not just for your safety but all residents safety. Please be courteous to neighbors and neighboring communities.

If you like to report use of illegal fireworks you can contact management, 311, or online at www.ispyfireworks.com. Note we will need the address of the resident using the illegal fireworks. Please do not call 911 to report residents.

Should you use the safe and sane fireworks all areas must be cleaned up immediately after and not left out overnight. If it's reported there is debris, trash or any other miscellaneous items out you will be sent a violation notice.

Pets:

There have been reports of stray or roaming cats around the community. Roaming cats can cause damage to neighbors property as they have been seen on roofs, block walls and others backyards. The cats are also a concern for the wild life that roams the community. If you have a pet cat please remember that they must be on a leash when outside. The City of Henderson and Mountainside HOA have leash codes/laws.

City of Henderson has some great tips and help with stray animals, please visit the City of Henderson Animal Control's Website:

www.cityofhenderson.com/government/departments/animal-control

Community Reminders:

- The summer watering schedule is here! The Mountainside HOA is in water Group A, so please remember to set your clocks for anytime from 7:00 pm to 11:00 am. **No watering on Sundays!**
- With school out please be mindful of kids and other residents in the community! **NO SPEEDING!!**
- If you have any questions or concerns about things going on in the community please call or email management.
